INTERNATIONAL TRADE ADMINISTRATION

G20 Digital & Trade Ministers

GDP and U.S. Bilateral Trade Profiles

Internal Reference | Trade data: 2025 full year (goods basis) | July 16, 2026

Methodology & Scope

19 sovereign members · EU & African Union annex · compiled 2026-07-16

Countries (19): Argentina, Australia, Brazil, Canada, China, France, Germany, India, Indonesia, Italy, Japan, Mexico, Poland, Russia, Saudi Arabia, South Korea, Türkiye, United Kingdom, United States.

Substitution: Poland is covered in place of South Africa — a deliberate substitution, not an omission.

Bloc members: The European Union and African Union hold G20 seats as supranational blocs; they are profiled in the bloc annex following the country pages.

GDP: Nominal (current USD), IMF World Economic Outlook 2025, single vintage across all 19.

U.S. bilateral trade: U.S. Census Bureau goods trade, 2025 full year (goods basis), via Census-derived channels (see Sources).

Ministers: Each officeholder confirmed current on 2026-07-16 by live search plus an independent verification pass. Where a portfolio is split, both responsible officials are profiled.

Summary — GDP & U.S. Bilateral Goods Trade

USD billions · GDP 2025 · trade 2025 (goods) · part 1 of 2

Country	GDP (2025)	U.S. exports to	U.S. imports from	U.S. bilateral balance
