

G20 Countries: Digital & Trade Ministers

with GDP and U.S. Bilateral Trade Profiles

Prepared for the International Trade Administration

U.S. Department of Commerce — Internal Reference

July 16, 2026

Data vintage: Trade — U.S. Census goods, 2025 full year (goods basis). GDP — IMF WEO, 2025. Ministers verified as current on 2026-07-16. Figures in USD billions unless noted.

Methodology & Scope

19 G20 sovereign members · compiled 2026-07-16

Countries (19): Argentina, Australia, Brazil, Canada, China, France, Germany, India, Indonesia, Italy, Japan, Mexico, Poland, Russia, Saudi Arabia, South Korea, Türkiye, United Kingdom, United States.

Substitution: Poland is included in place of South Africa, per instruction — a deliberate substitution, not an omission.

Bloc seats excluded: The European Union and African Union hold G20 seats but are supranational blocs, not sovereign countries, and are not profiled.

GDP: Nominal (current USD), IMF World Economic Outlook 2025, single vintage across all 19.

U.S. bilateral trade: U.S. Census Bureau goods trade, 2025 full year (goods basis), via Census-derived channels (see Sources).

Ministers: Each officeholder confirmed current on 2026-07-16 by live search plus an independent verification pass. Split portfolios show every responsible official.

DIGITAL / TECHNOLOGY MINISTER

Darío Leandro Genua

Secretary of Innovation, Science and Technology

Chief of Cabinet Office (Jefatura de Gabinete de Ministros) · Assumed office: 2024-06-06

Darío Leandro Genua, a business-administration graduate of the Universidad Catolica Argentina with a postgraduate degree in information systems and administrative processes, became Secretary of Innovation, Science and Technology in June 2024, succeeding Alejandro Cosentino. He previously served as executive coordinator of the intervention of ENACOM, Argentina's telecommunications regulator, working on the repeal of DNU 690 and satellite-internet opening. His secretariat leads state digitalization, digital public services, connectivity and telecommunications policy under the Chief of Cabinet. In 2026 he opened the Argentina Digital Summit.

TRADE / COMMERCE MINISTER

Pablo Lavigne · *acting*

Secretary of Production Coordination (exercising Industry & Commerce functions)

Ministry of Economy · Assumed office: 2024-12-17

Pablo Lavigne, an economist trained at UCA with a master's and doctorate from Universidad del CEMA, has been Secretary of Production Coordination in the Ministry of Economy since December 2024. Under Mauricio Macri he directed foreign-trade facilitation and ran the single foreign-trade window (VUCEA). He earlier led the Secretariat of Industry and Commerce, driving import deregulation, courier-limit increases and tariff cuts. After the Industry & Commerce secretariat fell vacant, a March 2026 decree merged those functions into his secretariat, which he now exercises on an acting basis.

Division of responsibility: Domestic commerce/industry (Lavigne, acting) sits under the Economy Ministry; external trade negotiation (Brun) under the Foreign Ministry.

DIGITAL / TECHNOLOGY MINISTER

Anika Wells

Minister for Communications (also Minister for Sport)

Portfolio of Infrastructure, Transport, Regional Development, Communications, Sport and the Arts (Department of Infrastructure, Transport, Regional Development, Communications, Sport and the Arts) · Assumed office: 2025-05-13

Anika Shay Wells (born 1985) is a Labor MP for the Queensland seat of Lilley, held since the 2019 federal election. A Griffith University law graduate, she practised as a compensation lawyer at Maurice Blackburn before entering Parliament. She served as Minister for Aged Care and Minister for Sport from 2022 to 2025, then was sworn in as Minister for Communications on 13 May 2025 in the second Albanese ministry (taking over from Michelle Rowland, who moved to Attorney-General), retaining Sport. She remains in the role as of July 2026.

Division of responsibility: also Andrew Charlton (*Assistant Minister for Science, Technology and the Digital Economy (also Cabinet Secretary)*)

TRADE / COMMERCE MINISTER

Don Farrell

Minister for Trade and Tourism (also Special Minister of State; Deputy Leader of the Government in the Senate)

Department of Foreign Affairs and Trade (DFAT); trade promotion agency Austrade · Assumed office: 2022-06-01

Senator Donald Edward Farrell (born 1954) is a Labor Senator for South Australia and a former trade unionist who was state secretary of the Shop, Distributive and Allied Employees Association (SDA) from 1993 to 2008. A University of Adelaide law graduate, he served in the Senate from 2008-2014 and again from 2016, holding ministries under the Rudd and Gillard governments. He was sworn in as Minister for Trade and Tourism on 1 June 2022 and retained the portfolio after the May 2025 federal election, remaining in the role as of July 2026.

DIGITAL / TECHNOLOGY MINISTER

Frederico de Siqueira Filho

Minister of Communications

Ministry of Communications (Ministério das Comunicações) · Assumed office: 2025-05

Brazilian engineer and telecom executive with more than 26 years in the telecommunications/IT sector, including some 21 years at operator Oi in operations, planning, regulatory and commercial roles. From 2023 to 2025 he led state-owned Telebras. President Lula named him Minister of Communications in April 2025, with the handover ceremony in early May 2025, succeeding Juscelino Filho. He oversees telecom policy, digital inclusion, broadcasting/spectrum, postal services and the TV 3.0 initiative. In May 2026 he publicly stated he intends to remain in the ministry through the end of 2026.

Division of responsibility: also Luciana Santos (Minister of Science, Technology and Innovation)

TRADE / COMMERCE MINISTER

Márcio Fernando Elias Rosa

Minister of Development, Industry, Trade and Services

Ministry of Development, Industry, Trade and Services (Ministério do Desenvolvimento, Indústria, Comércio e Serviços, MDIC) · Assumed office: 2026-04-06

Retired public prosecutor, lawyer and law professor, born in Ibiúna, São Paulo, in 1962. He spent his career in the São Paulo Public Prosecutor's Office, serving twice as Attorney General of Justice (2012-2016) and as São Paulo State Secretary of Justice. He joined MDIC as Executive Secretary in January 2023, and was sworn in as Minister on 6 April 2026, succeeding Vice President Geraldo Alckmin, who left the post to run for re-election as Lula's running mate. His agenda centers on the Nova Indústria Brasil program, expanding investment and foreign trade.

Division of responsibility: also Lucas Pedreira do Couto Ferraz (Secretary of Foreign Trade (SECEX))

DIGITAL / TECHNOLOGY MINISTER

Evan Solomon

Minister of Artificial Intelligence and Digital Innovation

Innovation, Science and Economic Development Canada (ISED) · Assumed office: 2025-05-13

Solomon, a longtime Canadian broadcaster and author, was elected Liberal MP for Toronto Centre in April 2025 and sworn in May 13, 2025 as Canada's first Minister of Artificial Intelligence and Digital Innovation, a portfolio created by PM Mark Carney. Before politics he hosted CTV's Power Play and Question Period and a CFRB talk-radio show, wrote for Maclean's, and co-founded Shift magazine. He studied at McGill University and now leads federal AI, quantum and digital policy within ISED.

TRADE / COMMERCE MINISTER

Maninder Sidhu

Minister of International Trade

Global Affairs Canada · Assumed office: 2025-05-13

Sidhu (born 1984) is a businessman and Liberal politician first elected MP for Brampton East in 2019. A University of Waterloo graduate, he ran an international-trade and customs-brokerage consulting business before politics, and served as Parliamentary Secretary to the Ministers of Foreign Affairs and International Development. Sworn into PM Mark Carney's cabinet on May 13, 2025 as Minister of International Trade within Global Affairs Canada, he leads Canada's trade-diversification and export agenda, targeting a trio of trade deals in 2026. He lives in Brampton, Ontario.

DIGITAL / TECHNOLOGY MINISTER

Li Lecheng

Minister of Industry and Information Technology

Ministry of Industry and Information Technology (MIIT) · Assumed office: 2025-04-30

Li Lecheng (born 27 March 1965), a mechanical-engineering graduate of Huazhong University of Science and Technology, began his career at the Shayang Machinery Factory in Hubei. He held provincial economic-planning and city-leadership posts, including director of Hubei's Development and Reform Commission, party secretary of Xiangyang, executive vice governor of Hubei, and Governor of Liaoning (2021-2025). He became MIIT party secretary in February 2025 and was appointed Minister on 30 April 2025, replacing Jin Zhuanglong. MIIT leads China's telecommunications, IT, industrial digital transformation and digital-economy policy.

TRADE / COMMERCE MINISTER

Wang Wentao

Minister of Commerce

Ministry of Commerce (MOFCOM) · Assumed office: 2020-12-26

Wang Wentao (born May 1964) has served as China's Minister of Commerce since December 2020. Trained in management, he built his career largely in Shanghai municipal government and later Jiangxi province, serving as mayor of Nanchang before rising to Governor of Heilongjiang province (2018-2020) and then moving to MOFCOM. As Commerce Minister he leads China's overall trade, investment and market-access policy. In 2026 he co-chaired the first China-EU Trade and Investment Consultations with EU Commissioner Maros Sefcovic and remained MOFCOM's senior figure through mid-2026.

Division of responsibility: Commerce Minister Wang Wentao leads MOFCOM; Li Chenggang is the full-rank China International Trade Representative (chief negotiator).

DIGITAL / TECHNOLOGY MINISTER

Ashwini Vaishnaw

Union Minister of Electronics and Information Technology (concurrently Minister of Railways and Minister of Information & Broadcasting)

Ministry of Electronics and Information Technology (MeitY) · Assumed office: 2024-06-10

Ashwini Vaishnaw (born 18 July 1970), a 1994-batch former IAS officer of the Odisha cadre, holds engineering degrees from MBM Jodhpur and IIT Kanpur and an MBA from Wharton. After district-collector postings and corporate roles at GE Transportation and Siemens, he entered the Rajya Sabha from Odisha in 2019. He first took charge of Railways, IT and Communications in July 2021, and after the 2024 general election was assigned the Electronics & IT, Railways, and Information & Broadcasting portfolios. He leads flagship efforts including the India Semiconductor Mission and IndiaAI Mission.

Division of responsibility: also Jitin Prasada (*Union Minister of State for Electronics and Information Technology (also Minister of State for Commerce and Industry)*)

TRADE / COMMERCE MINISTER

Piyush Goyal

Union Minister of Commerce and Industry

Ministry of Commerce and Industry · Assumed office: 2019-05-31

Piyush Goyal (born 13 June 1964) is a chartered accountant and lawyer and a BJP parliamentarian, elected to the Lok Sabha from Mumbai North in 2024 after years in the Rajya Sabha from Maharashtra. He has served as Union Minister of Commerce and Industry since 2019 and leads India's overall trade policy and free-trade-agreement strategy, including the India-US bilateral trade talks, India-EU FTA, and pacts with the UK, Australia and EFTA. He has previously held the Railways, Power, and Textiles portfolios.

Division of responsibility: Cabinet Minister Goyal leads Commerce & Industry; Commerce Secretary Agrawal is the senior civil servant and chief India-US negotiator.

Ministry of Digital Affairs (Ministerstwo Cyfryzacji) · Assumed office: 2023-12-13

Krzysztof Gawkowski (b. 1980) is a Polish political scientist and New Left (Nowa Lewica) politician, serving as the party's deputy chairman. A member of the Sejm since 2019 and former leader of the Left parliamentary caucus, he became Deputy Prime Minister and Minister of Digital Affairs in Donald Tusk's cabinet on 13 December 2023 and remains in the role in 2026. He oversees digitalization, cybersecurity, telecommunications and AI policy, chairing telecom sessions during Poland's 2025 EU Council presidency, and has authored works on cybersecurity and public administration.

TRADE / COMMERCE MINISTER

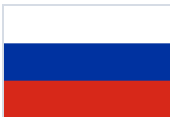

Andrzej Domański

Minister of Finance and Economy

Ministry of Finance and Economy (Ministerstwo Finansow i Gospodarki) · Assumed office: 2023-12-13

Andrzej Domanski (b. 1981, Krakow) is a Polish economist and Civic Coalition (KO) politician. A graduate in economics, he worked as an analyst, fund manager and investment director in financial institutions before entering the Sejm. He became Minister of Finance on 13 December 2023. After Prime Minister Tusk's July 2025 reshuffle merged the finance ministry with the dissolved Ministry of Development and Technology into a single economic super-ministry, he now heads it as Minister of Finance and Economy, directing fiscal, economic and trade-related policy. In 2026 he publicly ruled out near-term euro adoption.

Division of responsibility: also Michał Baranowski (*Undersecretary of State (Deputy Minister) responsible for trade and economic security*)

DIGITAL / TECHNOLOGY MINISTER

Maksut Shadayev

Minister of Digital Development, Communications and Mass Media of the Russian Federation

Ministry of Digital Development, Communications and Mass Media (Mintsifry) · Assumed office: 2020-01-21

Maksut Igorevich Shadayev (born 11 November 1979) has led Russia's digital ministry since 21 January 2020 and was reappointed on 14 May 2024. Trained at the Russian State Social University, he built his career in ICT and public administration: department director at the communications ministry, aide to Sergey Naryshkin, IT minister of Moscow Oblast (2014-2018), then Rostelecom vice-president. He oversees state digitalization, telecommunications, mass media and internet regulation, including 2026 measures targeting VPNs and rural internet expansion.

TRADE / COMMERCE MINISTER

Maxim Reshetnikov

Minister of Economic Development of the Russian Federation

Ministry of Economic Development (Minekonomrazvitiya) · Assumed office: 2020-01-21

Maxim Gennadyevich Reshetnikov (born 11 July 1979) has served as Minister of Economic Development since 21 January 2020 and was reappointed in May 2024. His ministry directs macroeconomic policy plus foreign economic activity, international trade negotiations and export promotion. A Perm State University economics graduate, he headed Moscow's economic-policy department (2012-2017) and governed Perm Krai (2017-2020). He remains active internationally, holding meetings with President Putin and describing Russia's economy as balanced despite global uncertainty in mid-2026.

Division of responsibility: also Anton Alikhanov (*Minister of Industry and Trade of the Russian Federation*)

DIGITAL / TECHNOLOGY MINISTER

Abdullah bin Amer Alswaha

Minister of Communications and Information Technology

Ministry of Communications and Information Technology (MCIT) · Assumed office: 2017-04-24

Abdullah bin Amer Alswaha, a Saudi engineer, has been Minister of Communications and Information Technology since 24 April 2017 and remains in office in 2026 (the ministry publicly welcomed the 2026 budget under his name). He holds electrical-engineering and computer-science degrees from KFUPM and the University of Washington plus Harvard executive education. Before government he led Cisco Saudi Arabia as managing director, then served as the Kingdom's Chief Digital Officer. As minister he drives Saudi Arabia's digital transformation and AI agenda under Vision 2030 and chairs related technology and space bodies.

TRADE / COMMERCE MINISTER

Majid bin Abdullah Al-Qasabi

Minister of Commerce

Ministry of Commerce · Assumed office: 2016-05-07

Majid bin Abdullah Al-Qasabi has been Saudi Arabia's Minister of Commerce since May 2016 (renamed from Commerce and Investment in 2020) and remains in office in 2026, active in GCC commerce meetings. He concurrently chairs the board of the General Authority for Foreign Trade, which handles WTO representation and trade negotiations. Holding a US doctorate in industrial engineering, he previously led the King Khalid Foundation and served as acting Minister of Media (2020-2023). He is central to Vision 2030 regulatory reforms, overseeing domestic commerce, consumer protection and foreign-trade policy.

Division of responsibility: also Mohammed bin Abdulaziz Al-Abduljabbar (Acting Governor, General Authority for Foreign Trade (GAFT))

DIGITAL / TECHNOLOGY MINISTER

Mehmet Fatih Kacır

Minister of Industry and Technology

Ministry of Industry and Technology (Sanayi ve Teknoloji Bakanlığı) · Assumed office: 2023-06-03

Mehmet Fatih Kacır (born 16 October 1984) became Minister of Industry and Technology on 3 June 2023, having previously served as a deputy minister in the same ministry. An industrial engineering graduate of Boğaziçi University (2008), he co-founded and chaired the T3 Foundation until 2018 and helped launch TEKNOFEST and the DENEYAP technology workshops. In 2026 he leads Türkiye's technology and AI agenda, including the multibillion-dollar HIT-30 High Technology Investment Programme, presented internationally, and national AI initiatives.

Division of responsibility: No standalone digital ministry: cybersecurity (Önal, Cybersecurity Presidency) and telecom/digital infrastructure (Uraloğlu, Transport & Infrastructure) sit outside the Industry & Technology Ministry.

TRADE / COMMERCE MINISTER

Ömer Bolat

Minister of Trade

Ministry of Trade (Ticaret Bakanlığı) · Assumed office: 2023-06-03

Prof. Dr. Ömer Bolat (born 30 August 1963, Istanbul) has been Minister of Trade since the cabinet formed after Türkiye's May 2023 elections. He graduated from Marmara University's Faculty of Economics and Administrative Sciences in international economic relations, becoming associate professor in 2014 and professor in 2019. Before politics he was General Coordinator/CEO of the Albayrak Group for about 23 years and chaired the MÜSİAD business association. As minister he directs export strategy, customs, FTA negotiations and WTO representation, and has led trade talks with the United States.

DIGITAL / TECHNOLOGY MINISTER

Liz Kendall

Secretary of State for Science, Innovation and Technology

Department for Science, Innovation and Technology (DSIT) · Assumed office: 2025-09-05

Liz Kendall is the Labour MP for Leicester West, first elected in 2010. She contested the 2015 Labour leadership election and held several shadow ministerial roles. After Labour's 2024 general election win she served as Secretary of State for Work and Pensions (July 2024 to September 2025). In Keir Starmer's September 2025 reshuffle she was appointed Secretary of State for Science, Innovation and Technology, succeeding Peter Kyle, taking charge of the UK's digital, technology, science, telecoms and AI-policy portfolio. She remains in post as of July 2026.

Division of responsibility: also Ian Murray (Minister of State (Minister for Digital Government and Data)); Kanishka Narayan (Parliamentary Under-Secretary of State (Minister for AI and Online Safety))

TRADE / COMMERCE MINISTER

Peter Kyle

Secretary of State for Business and Trade, and President of the Board of Trade

Department for Business and Trade (DBT) · Assumed office: 2025-09-05

Peter Kyle is the Labour MP for Hove and Portslade, elected in 2015. Following Labour's 2024 election victory he served as Secretary of State for Science, Innovation and Technology (July 2024 to September 2025). In the September 2025 reshuffle he was moved to become Secretary of State for Business and Trade and President of the Board of Trade, succeeding Jonathan Reynolds, giving him lead responsibility for UK business, industrial and external trade policy, including trade agreements and export promotion. He remains in post as of July 2026.

Division of responsibility: also Chris Bryant (Minister of State (Minister for Trade Policy and Economic Security))

DIGITAL / TECHNOLOGY MINISTER

Michael Kratsios

Director of the Office of Science and Technology Policy (OSTP) and Assistant to the President for Science and Technology

Executive Office of the President / White House Office of Science and Technology Policy · Assumed office: 2025-03-25

Michael Kratsios is the 13th Director of the White House Office of Science and Technology Policy and the President's science and technology adviser, confirmed by the Senate on March 25, 2025, by a 74-25 vote. He served as U.S. Chief Technology Officer during Trump's first term and later as Under Secretary of Defense for Research and Engineering, and was a managing director at Scale AI. He leads the administration's AI Action Plan and coordinates federal policy on artificial intelligence, quantum computing, and emerging technologies. He remains in office as of July 2026.

Division of responsibility: also Arielle Roth (Assistant Secretary of Commerce for Communications and Information and Administrator, National Telecommunications and Information Administration (NTIA))

TRADE / COMMERCE MINISTER

Howard Lutnick

United States Secretary of Commerce

U.S. Department of Commerce · Assumed office: 2025-02-21

Howard William Lutnick (born July 14, 1961) is the 41st U.S. Secretary of Commerce, confirmed by the Senate on February 18, 2025, by a 51-45 vote and sworn in that month. For decades he was chairman and CEO of Cantor Fitzgerald and BGC Group, rebuilding Cantor after it lost 658 employees on 9/11, and he co-chaired President Trump's 2024-25 transition. As Commerce Secretary he oversees trade policy, tariffs, export controls, industry promotion, and the Census, and is a leading architect of the America First trade agenda. He remains in office as of July 2026.

Division of responsibility: Howard Lutnick (Secretary of Commerce) leads trade/industrial policy & export controls; Jamieson Greer (U.S. Trade Representative, ambassador rank) is the chief trade negotiator.

Sources & Caveats

datasets, vintages, and flagged uncertainties

DATASETS & VINTAGES

- GDP (nominal, current USD): IMF World Economic Outlook, Oct 2025 (2025 estimates), via StatisticsTimes tabulation.
- U.S. bilateral goods trade: U.S. Census Bureau, full-year 2025, via USTR country fact sheets and the Census/UN-COMTRADE series (Trading Economics mirror).
- Overall trade balances: national statistics offices / IMF, latest full year, goods basis unless noted.
- Flags: hampusborgos/country-flags (public domain); Wikimedia Commons was egress-blocked in the build environment.

BASIS & CONVERSION

- Australia's overall balance is goods+services; India's is fiscal year 2025-26. All others goods-only, calendar 2025.
- Several overall balances are converted from local currency (EUR/GBP/CAD/AUD/JPY/SAR) at ~2025 average rates; USD values carry exchange-rate uncertainty.
- census.gov, imf.org and many national sites returned HTTP 403 to automated fetching; figures came from official-data-derived channels, not read off the primary page.

FLAGGED — NEEDS CHECK

- **Australia:** Overall trade balance (goods+services, 2025) flagged 'Needs check'.; GDP value low-confidence (secondary IMF-based aggregator; may reflect Apr-2026 WEO revision).
- **Brazil:** GDP value low-confidence (secondary IMF-based aggregator; may reflect Apr-2026 WEO revision).
- **France:** U.S. bilateral goods figures low-confidence (EU member without standalone USTR fact sheet).
- **Mexico:** GDP value low-confidence (secondary IMF-based aggregator; may reflect Apr-2026 WEO revision).
- **Poland:** GDP value low-confidence (secondary IMF-based aggregator; may reflect Apr-2026 WEO revision).; U.S. bilateral goods figures medium-confidence (EU member without standalone USTR fact sheet).

FLAGGED — VACANT / ACTING

- **Argentina:** Pablo Lavigne — Secretary of Production Coordination (exercising Industry & Commerce functions)
- **Saudi Arabia:** Mohammed bin Abdulaziz Al-Abduljabbar — Acting Governor, General Authority for Foreign Trade (GAFT)

DATA-QUALITY CORRECTION

- Saudi Arabia's raw trade-officials list wrongly included the U.S. Commerce Secretary and USTR (context bleed); removed and corrected.

SCOPE NOTE

- Poland substituted for South Africa. EU and AU are G20 members but are bloc seats, not covered here.
